

# Hard Act To Follow

Brother Cane

Pickin' up the pieces  
Sweepin' off the dust  
I thought it would be better  
But it's never been so rough  
Flippin' through old numbers  
Dependin' on the past  
It helps to have some company  
But it seems to never last

Then it comes  
The loneliness within  
Like a stone  
Crushin' me again

You're a hard act to follow  
I can't find nobody, baby quite like you  
You're a hard act to follow  
Yeah yeah

Yesterdays were easy  
Gentle on my mind  
I'd run to you for shelter from the storm  
And leave the world behind  
The way you cleared my senses  
The way you soothed my soul  
If only I had faith in you  
My tears would never flow

Now you're gone  
My hope is all in vain  
I was wrong  
I couldn't make you stay

You're a hard act to follow  
There ain't anything, baby quite like you  
You're a hard act follow  
Yeah yeah

Everything I done  
I can't change  
One to many crosses to bear  
Who's to blame?  
Oh just to have you back today

Oh then it comes  
The loneliness within  
I was wrong  
It's crushin' me again

You're a hard act to follow  
I can't find nobody quite like you  
You're a hard act to follow yeah

You're a hard act to follow  
There ain't anyone like you  
You're a hard act to follow yeah  
There ain't anything like you

I can't find nobody quite like you
