Mighty Wings

Brother Firetribe

It's just a ball of dust Underneath my feet It rolls around the sun Doesn't mean that much to me

I take a chance on the edge of life Just like all the rest I look inside and dig it out 'cause there's no points for second best

There's a raging fire in my heart tonight Growing higher and higher in my soul There's a raging fire in the sky tonight I want to ride on the silver dove Far into the night

'Til I make you take me On your mighty wings Make you take me On your mighty wings across the sky Take me on your mighty wings Take me on your mighty wings tonight

With just a little luck A little cold blue steel I cut the night like a razor blade Till I feel the way I want to feel

There's a raging fire in my heart tonight Growing higher and higher in my soul There's a raging fire in the sky tonight I want to ride on the silver dove Far into the night

'Til I make you take me On your mighty wings Make you take me On your mighty wings across the sky Take me on your mighty wings Take me on your mighty wings tonight

Take me on your mighty wings Take me on your mighty wings
