

## Figaro

### Brotherhood of Man

Ev'ry morning when sun is dawning  
You'll see him down on the beach.  
Look out girl better beware  
Better take care keep yourself out of reach.  
He's out to make a killing girl,  
He's out to make a score and maybe  
If you're willing girl,  
He's gonna ask for more.

Oh, oh figaro he's got magico, oh.  
Oh, oh figaro he's a romeo, oh  
See him down on the beach  
He'll be looking for someone new  
Searching down on the beach,  
Figaro, Figaro.

When he plays guitar at the disco-bar  
He's the star of the show  
As the girls go by he just winks an eye  
See the pretty girls glow.  
He's out to make a killing girl,  
When dancing on the floor and maybe  
If you're willing girl,  
He's gonna ask for more.

Oh, oh figaro he's got magico, oh.  
Oh, oh figaro he's a romeo, oh  
See him down on the beach  
He'll be looking for someone new  
Searching down on the beach,  
Figaro, Figaro.
