

# The Real Thing

Brothers Johnson

So glad we've got a good thing  
You know you make my heart sing  
You are the real thing  
You know you make my heart sing

I've longed to have this chance  
With you, I feel romance  
It's all for love and I want it bad

Seeing you is just a turn on  
And loving you, I want to hold on  
There's a feeling in my heart  
That just won't let you go

I'll hold on, I'll keep on  
(I'm holdin' on)  
I'll keep on, I'll hold on  
(I'm holdin' on)  
I'll hold on, I'll keep on  
I'll hold on to your love

So glad we've got a good thing  
You know you make my heart sing  
You are the real thing  
You know you make my heart sing

So glad we've got a good thing  
You know you make my heart sing  
You are the real thing  
You know you make my heart sing

Seeing you is just a turn on  
Loving you, I want to hold on  
There's a feeling in my heart  
That just won't let you go

I'll hold on, I'll keep on  
(I'm holdin' on)  
I'll keep on, I'll hold on  
(I'm holdin' on)  
I'll hold on, I'll keep on  
I'll hold on to your love

So glad we've got a good thing  
You know you make my heart sing  
You are the real thing  
You know you make my heart sing

So glad we've got a good thing  
You know you make my heart sing  
You are the real thing  
You know you make my heart sing

So glad we've got a good thing  
You know you make my heart sing  
You are the real thing  
You know you make my heart sing

So glad we've got a good thing  
You know you make my heart sing  
You are the real thing  
You know you make my heart sing

So glad we've got a good thing
