

Happy Good Morning Blues

Bruce Cockburn

Good day to you
Fat balloon man
May you always have air
You sing a song everybody can believe

Good day to you
Uncle tom cat
Out to trick the whole world
You carry a tune for nobody but yourself

Bonjour a toi
Herr policeman
May your boots always fit
Someday you'll find a song you can believe

Good morning good people
The sun is long sailing
The only clouds you see
Are carried within
Soon they'll be blown all away
Wind's gonna rise and blow those clouds away
Wind's gonna rise and blow your blues away
Your sun's gonna shine in my back door some day...
