

Darkness Be My Friend

Bruce Dickinson

Cold sunlight falling on me
cold sunlight falling on me

I am a lonely man,
sorrow is my friend
Fall asleep as the dawn comes up
A ray of hope again

Hold the crystal vision,
for a second, let it pass
Hold the crystal vision,
for a moment, make it last

Summer's so quickly gone
Darkness be my friend
Nothing lasts forever
but the certainty of change . .

I am a lonely man, darkness be my friend
nothing lasts forever but the certainty of change
nothing lasts forever but the cer_tain_ty of __change__
