

God's Not Coming Back

Bruce Dickinson

Yeah, standing by the three kings and I thought I saw a
star

[mumble]

I could smell the holy spirit, it was coming from the
bar

[mumble]

CHORUS:

It's magic they said, back from the dead

It's not Christmas yet, God's not coming back

[mumble]

God's not coming back [mumble]

You turn my water into wine, you fix my table, it's
just fine

Two ton rocks he rolled away, Lepers cured every Sunday

["OK, goodnight, thank you very much,
be back next Sunday, alright?"]

REPEAT CHORUS

SOLO

Hanging with Magdalene

He never dug the little queen

["She's a little stunner, you know what I mean?"]

You look like Ian Gillan but I bet you couldn't scream

Aaaaaaaaaahhhhhhhh!!!!!!

REPEAT CHORUS

God's not coming back (3x)

Oh well...
