

## Every Little Kiss

Bruce Hornsby

Way out here, working on the docks  
Everyone sees the long day through  
Well what would I do without the nights?  
And the phone and the chance just to talk to you  
Oh what would I do now, hey, just to talk to you?  
A thousand miles away

What I wouldn't give for only one night  
A little relief in sight or someday  
When times weren't so tight

When the day goes down on the water town  
When the sun sinks low all around  
That's when I know I, I need you now  
Yes you're what I miss, every little kiss  
Every little one, every little one

Everybody here's a number, not a name  
But I guess that's all right with me  
As I sit alone after a long day  
In the absence of company  
Oh I let my mind wander, hey yea  
A thousand miles away

What I wouldn't give for only one night  
A little relief in sight or someday  
When times weren't so tight

When the day goes down on the water town  
When the sun sinks low all around  
That's when I know I, I need you now  
Yes you're what I miss, every little kiss  
Every little one, every little one, hey yea

Hey hey  
What I wouldn't give for only one night  
A little relief in sight or someday  
When times weren't so tight

When the day goes down on the water town  
When the sun sinks low all around  
That's when I know I, I need you now  
Yes you're what I miss, every little kiss  
Every little one, every little one, hey hey
