Mandolin Rain

Bruce Hornsby

The song came and went like the times that we spent Hiding out from the rain under the carnival tent I laughed and she'd smile, it would last for awhile You don't know what you got till you lose it all again

Listen to the mandolin rain, listen to the music on the lake Listen to my heart break every time she runs away Listen to the banjo wind, sad song drifting low Listen to the tears roll down my face as she turns to go

A cool evening dance listening to the bluegrass band Takes the chill from the air till they play the last song I'll do my time, oh keeping you off my mind But there's moments that I find, I'm not feeling so strong

Listen to the mandolin rain, listen to the music on the lake Listen to my heart break every time she runs away Listen to the banjo wind, sad song drifting low Listen to the tears roll down my face as she turns to go

Running down by the lake shore She did love the sound of a summer storm It played on the lake like a mandolin Now it's washing her away once again, again

Whoa oh oh Yeah, listen to Do, do, do

The boat's steaming in, I watch the side wheel spin And I think about her when I hear that whistle blow I can't change my mind, oh I knew all the time That she'd go, but that's a choice I made long ago

Listen to the mandolin rain, listen to the music on the lake Listen to my heart break every time she runs away Listen to the banjo wind, sad song drifting low Listen to the tears roll down my face as she turns to go, as sh e turns to go

Listen to the, listen to the mandolin rain Listen to the tears roll down my face as she turns to go Listen to the tears roll down my face as she turns to go Listen to the mandolin rain
