

Change Is Coming

Bruce Kulick

One life, we've got
No point, if you don't take a shot
And give it all you got

Two times, twice shy
(I was) dead wrong
and now I realize
I am right where I belong, cause

Change is coming, change is coming,
change is coming

You know, what you need
It all comes, right down to your beliefs
Do you believe in yourself...cause

Change is coming, change is coming,
change is coming
