

# Crazy

Bruce Kulick

Can't you see what I can't hide  
I feel so good when I'm by your side  
You keep spinning me round  
You're making me crazy  
My love for you is growing strong  
I can't deny it cause it's been so long  
I keep hanging around  
Cause your making me crazy

You're making me crazy  
I've never felt this way before  
I love you I'm crazy  
I'm feeling so high I can touch the sky  
From your love

When I'm down, you pick me up  
You give me peace when I'm serious  
But you keep spinning me round  
You're making me crazy

Don't you know I'm the only one  
To share your dreams with a life of love  
I'll keep hanging around  
Cause you're making me crazy

I'm floating round, across the sky  
Flying high, in the clouds  
My love for you, makes me high  
Very high
