

# Wrapped

Bruce Robison

Didn't have to turn my head whenever you walked in  
The only one to let these chills roll down my skin  
My heart beats faster I hear your name  
I feel my confidence slippin' away

Thought I was doin' fine 'bout to get you off my mind  
I see your face and then I'm wrapped  
Around your pretty little finger again

It feels like ages since you lay down in my arms  
See no good reason but still I'm tangled in your charms  
My God you're smilin' you catch my eye  
My heart is poundin' deep inside

Thought I was doin' fine 'bout to get you off my mind  
I see your face and then I'm wrapped  
Around your pretty little finger again

Ain't gonna let no man go down without a fight  
My stalls and walls look better in the bright day light  
My heart beats faster I call your name  
I feel my confidence slippin' away

Thought I was doin' fine 'bout to get you off my mind  
I see your face and then I'm wrapped  
Around your pretty little finger

Thought I was doin' fine 'bout to get you off my mind  
I see your face and then I'm wrapped  
Around your pretty little finger again
