

Bring Em Home

Bruce Springsteen

If you love this land of the free
Bring 'em home, bring 'em home
Bring them back from overseas
Bring 'em home, bring 'em home

It will make the politicians sad, I know
Bring 'em home, bring 'em home
They wanna tangle with their foe
Bring 'em home, bring 'em home

They wanna test their grand theories
Bring 'em home, bring 'em home
With the blood of you and me
Bring 'em home, bring 'em home

Now we'll give no more brave young lives
Bring 'em home, bring 'em home
For the gleam in someone's eyes
Bring 'em home, bring 'em home

The men will cheer and the boys will shout
Bring 'em home, bring 'em home
Yeah and we will all turn out
Bring 'em home, bring 'em home

The church bells will ring with joy
Bring 'em home, bring 'em home
To welcome our darlin' girls and boys
Bring 'em home, bring 'em home

We will lift their voice and sound
Bring 'em home, bring 'em home
Yeah, when Johnny comes marching home
Bring 'em home, bring 'em home

Bring 'em home, bring 'em home
Bring 'em home, bring 'em home
Bring 'em home, bring 'em home
Bring 'em home, bring 'em home

Bring 'em home, bring 'em home
Bring 'em home, bring 'em home
Bring them back from overseas
Bring 'em home, bring 'em home

If you love this land of the free
Bring 'em home, bring 'em home
Bring them back from overseas
Bring 'em home, bring 'em home
