

Cover Me

Bruce Springsteen

The times are tough now
Just getting tougher
This old world is rough
It's just getting rouger, cover me
Come on baby, cover me
Well I'm looking for a lover who will
Come on in and cover me

Now, promise me baby you won't let them find us
Hold me in your arms
Let's let our love blind us, cover me
Shut the door and cover me
I'm looking for a lover who will
Come on in and cover me

Outside's the rain, the driving snow
I can hear the wild wind blowing
Turn out the light
Bolt the door
I ain't going out there no more
This whole world is out there just trying to score
I've seen enough I don't want to see any more, cover me
Come on and cover me
I'm looking for a lover who will come on in and cover me

Outside's the rain, the driving snow
I can hear the wild wind blowing
Turn out the light
Bolt the door
I ain't going out there no more
This whole world is out there just trying to score
I've seen enough I don't want to see any more, cover me
Wrap around you and cover me
Well, I'm looking for a lover who will
come on in and cover me
Oh, I'm looking for a lover who will
come on in and cover me
Well, I'm looking for a lover who will
come on in and cover me

Come on baby
