

# Darkness On The Edge Of Town

Bruce Springsteen

1. Now they're still racing out at the trestles  
But that blood it never burned in her veins  
Now I hear she's got a house up in Fairview  
And a style she's trying to maintain  
Well if she wants to see me  
You can tell her that I'm easily found  
Tell her there's a spot out beneath Abram's Bridge  
And tell her there's a darkness on the edge of town  
There's a darkness on the edge of town
2. Now everybody's got a secret Sonny  
Just something that they just can't face  
Some folks they spend their whole lives trying to keep it  
They carry it with them every step that they take  
Till someday they just cut it loose  
Cut it loose or let it drag 'em down  
Where no one asks any questions or looks too long in your face  
In the darkness on the edge of town  
In the darkness on the edge of town
3. Now some folks are born into a good life  
Other folks they get it anyway anyhow  
Well me, I lost my money and I lost my wife  
Those things don't matter much to me now  
'Cause tonight I'll be on that hill 'cause I can't stop  
I'll be on that hill with everything I got  
Lives on the line where dreams are found and lost  
I'll be there on time and I'll pay the cost  
For wanting things that can only be found  
  
In the darkness on the edge of town  
In the darkness on the edge of town
