Dream baby dream  
Dream baby dream  
Dream baby dream  
Come on and dream baby dream  
Come on and dream baby dream

We gotta keep the light burning  
Come on, we gotta keep the light burning  
Come on, we gotta keep the light burning  
Come on, we gotta keep the light burning  
Come on and dream baby dream

We gotta keep the fire burning  
Come on, we gotta keep the fire burning  
Come on, we gotta keep the fire burning  
Come on and dream baby dream

Come open up your heart  
Come on and open up your heart  
Come on and open up your heart  
Come on dream on, dream baby dream

Come on and open up your heart  
Come on and open up your hearts  
Come on and open up your hearts  
Come on dream on, dream baby dream

Come on, we gotta keep on dreaming  
Come on, we gotta keep on dreaming  
Come on, we gotta keep on dreaming  
Come on dream on, dream baby dream

Come on darling and dry your eyes  
Come on baby and dry your eyes  
Come on baby and dry your eyes  
Come on dream on, dream baby dream

Yeah I just wanna see you smile  
Now I just wanna see you smile  
Yeah I just wanna see you smile  
Come on dream on, dream baby dream

Come on and open up your hearts  
Come on and open up your hearts  
Come on and open up your hearts  
Come on dream on, dream baby dream

Yeah I just wanna see you smile  
And I just wanna see you smile  
Yeah I just wanna see you smile  
Come on dream on, dream baby dream

Yeah I just wanna see you smile  
Yeah I just wanna see you smile  
Yeah I just wanna see you smile  
Come on dream on, dream baby dream

Come on and open up your heart  
Come on and open up your heart  
Come on and open up your heart  
Come on dream on, dream baby dream

Come on dream on, dream on baby  
Come on dream on, dream on baby  
Come on dream on, dream on baby  
Come on dream on, dream baby dream
