

Dream Baby Dream

Bruce Springsteen

Dream baby dream
Dream baby dream
Dream baby dream
Come on and dream baby dream
Come on and dream baby dream

We gotta keep the light burning
Come on, we gotta keep the light burning
Come on, we gotta keep the light burning
Come on, we gotta keep the light burning
Come on and dream baby dream

We gotta keep the fire burning
Come on, we gotta keep the fire burning
Come on, we gotta keep the fire burning
Come on and dream baby dream

Come open up your heart
Come on and open up your heart
Come on and open up your heart
Come on dream on, dream baby dream

Come on and open up your heart
Come on and open up your hearts
Come on and open up your hearts
Come on dream on, dream baby dream

Come on, we gotta keep on dreaming
Come on, we gotta keep on dreaming
Come on, we gotta keep on dreaming
Come on dream on, dream baby dream

Come on darling and dry your eyes
Come on baby and dry your eyes
Come on baby and dry your eyes
Come on dream on, dream baby dream

Yeah I just wanna see you smile
Now I just wanna see you smile
Yeah I just wanna see you smile
Come on dream on, dream baby dream

Come on and open up your hearts
Come on and open up your hearts
Come on and open up your hearts
Come on dream on, dream baby dream

Yeah I just wanna see you smile
And I just wanna see you smile
Yeah I just wanna see you smile
Come on dream on, dream baby dream

Yeah I just wanna see you smile
Yeah I just wanna see you smile
Yeah I just wanna see you smile
Come on dream on, dream baby dream

Come on and open up your heart
Come on and open up your heart
Come on and open up your heart
Come on dream on, dream baby dream

Come on dream on, dream on baby
Come on dream on, dream on baby
Come on dream on, dream on baby
Come on dream on, dream baby dream
