

# I Wanna Be Where the Bands Are

Bruce Springsteen

I hear the guitars ringing out there  
Ringing out down Union Street  
I hear the lead singer shouting out yeah  
And I wanna be a slave to the beat  
And tonight I wanna break my chains  
Somebody break my heart  
Somebody shake my brains  
Downtown they're singing what I wanna hear  
It's the sound little girl thats ringing in my ear

I wanna be where the bands are  
I wanna be where the bands are  
Where the bands are  
I wanna be where the bands are

Get off from work and I grab something to eat  
I turn the corner and I drive down your street  
Little gray houses, mama, looks like nowhere  
But hey I know you're hiding in there  
Come on out for just a little while  
You know that heart of stone  
Girl it just ain't your style  
Tonight I want to feel, feel the crowd  
And when I tell you that I love you  
I wanna shout it out loud  
Shout it out loud  
Shout it out loud

I wanna be where the bands are  
I wanna be where the bands are  
Where the bands are  
I wanna be where the bands are  
I.....wanna.....be  
Where the bands are
