- 1. I love to see cottonwoods blossom in the early spring I love to see the message of love that the bluebird brings. But when I see you walking with him down along the strand I wish I were blind when I see you with your man.
- 2. I love to see your hair shining in the long summer's light. I love to watch as stars fill the sky on a summer night. Music plays, you take his hand, I watch how you touch him as you start to dance And I wish I were blind when I see you with your man.
- R: We struggle here but all our love's in vain
 Well, these eyes that once filled me with your beauty
 Now fill me with pain.
 And the light that once centered here
 Is banished from me.
 Oh, and this darkness is all baby that my heart sees.
 And though this world is filled with the
 Grace and beauty of God's hand,
 I wish I were blind when I see you with your man.
- R: We struggle here but all...
 - Oh, I wish I were blind when I see you with your man. Oh, I wish I were blind when I see you with your man.
