

If I Should Fall Behind

Bruce Springsteen

We said we'd walk together, baby come what may
That come the twilight, should we loose our way
If as we're walking, your hand should slip free
I'll wait for you
should I fall behind
Wait for me

We swore we'd travel, darling side by side
We'd help each other, stay in stride
But each lover's steps fall so differently
But I'll wait for you
And if I should fall behind wait for me

Now everyone dreams of a love lasting and true
But you and I know what this world can do
So let's make our steps clear that the other may see
And I'll wait for you
If I should fall behind
Wait for me

Now there's a beautiful river in the valley ahead
There 'neath the oak's bough, soon we will be wed
Should we lose each other in the shadow of the evenings trees
I'll wait for you
and should i fall behind
Wait for me
Darlin' I'll wait for you
Should I fall behind
Wait for me
