

# Lonesome Day

Bruce Springsteen

Once I thought I knew  
Everything I needed to know about you  
Your sweet whisper, Your tender touch  
But I didn't really know that much  
Joke's on me, It's gonna be okay  
If I can just get through this lonesome day

Hell's brewin' dark sun's on the rise  
This storm'll blow through by and by  
House is on fire, Viper's in the grass  
A little revenge and this too shall pass  
This too shall pass, I'm gonna pray  
Right now all I got's this lonesome day

It's alright? It's alright? It's alright

Better ask questions before you shoot  
Deceit and betrayals bitter fruit  
It's hard to swallow, come time to pay  
That taste on your tongue don't easily slip away

Let kingdom come I'm gonna find my way  
Through this lonesome day
