

1. I got a coin in my palm  
I can make it disappear  
I got a card up my sleeve  
name it and I'll pull it out your ear  
I got a rabbit in my hat  
if you wanna come and see  
This is what will be  
this is what will be
2. I got shackles on my wrists  
soon I'll slip 'em and I'll be gone  
Chain me in a box in the river  
and I'll rise singing this song  
Trust none of what you hear  
and less of what you see  
This is what will be  
this is what will be
3. I got a shiny saw blade (a shiny saw blade)  
all I need's a volunteer  
I'll cut you in half  
while you're smiling ear to ear  
And the freedom that you saw  
drifting like a ghost in both the trees  
This is what will be  
this is what will be
4. Now there's a fire down below  
but it's coming up here  
So leave everything you know  
carry only what you fear  
On the road the sun is sinking low  
there's bodies hanging in the trees  
This is what will be  
this is what will be
