

Man At The Top

Bruce Springsteen

1. Here comes a fireman, here comes a cop
Here comes a wrench, here comes a car hop
Been goin' on forever, ain't ever gonna stop
Everybody wants to be the man at the top

R: Everybody wants to be the man at the top
Everybody wants to be the man at the top
Well, aim your gun son and shoot your shot
Everybody wants to be the man at the top

2. Now rich man poor man, beggar man thief
Doctor, lawyer, indian chief
The ones we stop to ask a lot
Everybody wants to be the man at the top

R: Everybody wants to be the man at the top...

Ohhh alright

Ohhh alright

*: Man at the top says it's lonely up there
If it is man, well, I don't care
From the big white house to the parking lot
Everybody wants to be the man at the top

3. Here comes a banker, here comes a business man
Here comes a kid with a guitar in his hand
Dreamin' of his record in the #1 spot
Everybody wants to be the man at the top

R: Everybody wants to be the man at the top
Everybody wants to be the man at the top...

Ohhh alright

Ohhh alright

Ohhh alright

Ohhh alright
