

# Nothing Man

Bruce Springsteen

I don't remember how I felt  
I never thought I'd live  
To read about myself  
In my hometown paper  
How my brave young life  
Was forever changed  
In a misty cloud  
Of pink vapor  
Darlin' give me your kiss  
Only understand  
I am, the nothing man

Friday night  
The club meets at Al's Barbecue  
The sky is still  
The same unbelievable blue  
Darlin' give me your kiss  
Come and take my hand  
I am, the nothing man

You can call me Joe  
Buy me a drink and shake my hand  
You want courage  
I'll show you courage you can understand  
The pearl and silver  
Restin' on my night table  
It's just me Lord  
Pray I'm able  
Darlin, with this kiss  
Say you understand

I am, the nothing man  
I am, the nothing man
