Tenth Avenue Freeze Out

Bruce Springsteen

Tear drops on the city Bad Scooter searching for his groove Seem like the whole world walking pretty And you can't find the room to move Well everybody better move over, that's all 'Cause I'm running on the bad side And I got my back to the wall Tenth Avenue freeze-out, Tenth Avenue freeze-out

Well I was stranded in the jungle Trying to take in all the heat they was giving The night is dark but the sidewalk's bright And lined with the light of the living From a tenement window a transistor blasts Turn around the corner things got real quite real fast I walked into a Tenth Avenue freeze-out Tenth Avenue freeze-out And I'm all alone, I'm all alone And kid you better get the picture And I'm on my own, I'm on my own And I can't go home

When the changes was made uptown And the Big Man joined the band From the coastline to the city All the little pretties raise their hands I'm gonna sit back right easy and laugh

When Scooter and the Big Man bust this city in half With the Tenth Avenue freeze-out, Tenth Avenue freeze-out Tenth Avenue freeze-out...
