

# The Long Goodbye

Bruce Springsteen

My soul went walkin' but I stayed here  
Feel like I been workin' for a thousand years  
Chippin' away at this chain of my own lies  
Climbin' a wall a hundred miles high  
Well I woke up this morning on the other side  
Yeah yeah this is the long goodbye  
Hey yeah this is the long goodbye

Same old faces it's the same old town  
What once was laughs is draggin' me now  
Waitin' on rain hangin' on for love  
Words of forgiveness from some God above  
Ain't no words of mercy comin' from on high  
Oh no just a long goodbye  
Yeah yeah just one long goodbye

Well I went to leave twenty years ago  
Since then I guess I been packin' kinda slow  
Sure did like that admirin' touch  
Guess I liked it a little too much

The moon is high and here I am  
Sittin' here with this hammer in hand  
One more drink oughta ease the pain  
Starin' at that last link in the chain  
Well let's raise our glass and let the hammer fly  
Hey yeah this is the long goodbye  
Hey yeah this is the long goodbye  
Kiss me baby and we're gonna fly  
Hey yeah this is the long goodbye  
Yeah yeah this is the long goodbye  
Hey yeah this is the long goodbye  
Kiss me baby 'cause we're gonna ride  
Yeah yeah this is the long goodbye
