

# When You're Alone

Bruce Springsteen

Times were tough love was not enough  
So you said sorry Johnny I'm gone gone gone  
You said my act was funny  
But we both knew what was missing honey  
So you let out on your own  
Now that pretty form that you've got baby  
Will make sure you get along  
But you're gonna find out someday honey

R: When you're alone you're alone  
When you're alone you're alone  
When you're alone you're alone  
When you're alone you ain't nothing but alone

Now I was young and pretty on the mean streets of the city  
And I fought to make 'em my home  
With just the shirt on my back I left and swore I'd never look  
back  
And man I was gone gone gone  
But there's things that'll knock you down you don't even see co  
ming  
And send you crawling like a baby back home  
You're gonna find out that day sugar

R: When you're alone you're alone...

I knew some day your runnin' would be through  
And you'd think back on me and you  
And your love would be strong  
You'd forget all the bad and think only of all the laughs that  
we had  
And you'd wanna come home  
Now it ain't hard feelings or nothin' sugar  
That ain't what's got me singing this song  
It's just nobody knows baby where love goes  
But when it goes it's gone gone

R: When you're alone you're alone...
