

# Without You

Bruce Springsteen

Monday, I go to work  
Tuesday, can't find my shirt  
Wednesday, I'm feelin' blue  
I'm helpless, darlin'  
Without you, without you  
Without you, without you  
Thursdays, everything's fine  
Friday, I'm out of my mind  
Friday, I'm out of my mind  
Saturday, Sunday too  
It's hopeless, darlin'  
Without you, without you  
Without you, without you

Each and every night of the week  
I toss and turn in my sleep  
Worryin' if you're all right  
Wonderin' where you are tonight
