

# Your Own Worst Enemy

Bruce Springsteen

You can't sleep at night  
You can't dream your dream  
Your fingerprints on file  
Left clumsily at the scene

Your own worst enemy has come to town  
Your own worst enemy has come to town

Yesterday the people were at ease  
Baby you slept in peace  
You closed your eyes and saw her  
You knew who you were

And your own worst enemy has come to town  
Your own worst enemy has come  
Your world keeps turning round and round  
But everything is upside down  
Your own worst enemy has come to town

There's a face you know  
Staring back from the shop window  
The condition you're in  
Now you just can't get out of this skin

Ah ah ah  
Ah ah ah  
Ah ah ah  
Hooo...

The times they got too clear  
So you removed all the mirrors  
Once the family felt secure  
Now no one's very sure

Your own worst enemy has come to town  
Your own worst enemy's come  
Everything is falling down  
Your own worst enemy has come to town  
Your own worst enemy has come  
Everything is falling down  
Your own worst enemy has come to town  
Your flag it flew so high  
It drifted into the sky
