

Fun Time

Bruce Willis

Gotta few jinglings janglin' in my pocket
And I gotta couple that don't make no noise
Looks like this night I'm all fired up for rockin'
And the stars above, are just a few of my toys

It's Fun Time (fun time), Fun Time (fun time)
Let yourself be happy
It's Fun Time (fun time)
It's shake time (shake time), break time (break time)
It's Fun Time (fun time).
You all know

I got a new resolution
Got my mind set on a good time
Get my mojo up and keep it workin'
You can come along, whatever shape you're in

It's Fun Time (fun time), Fun Time (fun time)
Let yourself be happy
It's Fun Time (fun time)
It's shake time (shake time), break time (break time)
It's Fun Time (fun time).
You all know

Gotta few jinglings janglin' in my pocket
And I gotta couple that didn't make no noise
Feels like this night I'm fired up for rockin'
And the stars above, are just a few of my toys

It's Fun Time (fun time), Fun Time (fun time)
Let yourself be happy
It's Fun Time (fun time)
It's shake time (shake time), break time (break time)
It's Fun Time (fun time).
You all know
