

# Love Makes The World Go Round

Bruce Willis

You know love makes the world go round  
And love, baby makes the seesaws go up and down  
And it makes trees grow tall  
And the most important thing of all  
It makes a boy and girl, oh  
Say they feel so fine, now (feel so fine)

Without love flowers wouldn't grow in the spring  
And without spring, yeah the birdies just couldn't sing  
Everybody needs love  
to watch the twinkling stars above  
It makes a boy and girl, oh  
Say they feel so fine, now (feel so fine)

Oh... love makes you cry, now  
That goes for Billy, Sherry, Bobby and Marsha and baby  
you and I  
Oh, I can prove to you  
That these facts of love are so true  
It makes a boy and girl, yeah  
Say they feel so fine, now (feel so fine)

Love, love, sweet love love is so good, child  
Ooh, it's so fine ooh...
