

# Soul Shake

Bruce Willis

Do do do do....

Dancing with your baby  
Really turning the soul shake on  
Grooving with your baby  
Really turning the soul shake on

I'm a woman possessed  
By the way you move  
There ain't nothing bout you, baby  
That I don't approve

Come on, come on, baby  
Let's ball the whole day long

And the dance hall's a cooking  
Like a great big honeycomb  
And all the bees inside  
Is humming and a singing a song

I'm a king bee, baby  
Buzzing in his hive  
Well buzz on, honey  
Cause I'm digging that jive

Do it, do it together  
Let's ball the whole day long

Do do do do....

Well, there ain't nobody else  
In the whole wide world like you  
No, no, nobody else turn me on  
Baby, like you do

When you go like that  
I nearly flip my mind  
Ah, when you do it, do it, baby  
Oh, you're fine, so fine

Cause dancing with your baby  
Really turn the soul shake on  
Look

Do do do do....
