Young Blood

Bruce Willis

I saw her standin' on the corner A yellow ribbon in her hair All my boys could not help cryin' Looky there, looky there That's tough, she's diggin' me

Young blood, yes, it is Young blood Young blood Can't get you outta my mind

Just one look and I was captured I tried to walk but I was lame Just could not help myself from shoutin' What's your name, what's your name Now looky here, girl, come here, baby

Young blood Young blood Can't get you outta my mind

What crazy stuff, she looked so tough I had to follow her all the way home Then things went bad, I met her dad What's he say, boys? "You'd better leave my daughter alone"

I couldn't sleep a wink for tryin' I saw the risin' of the sun All night long my heart was cryin' She's the one, she's the one I saw her first, she wants me

Young blood, yes, it is Young blood Young blood Can't get you outta my mind

What crazy stuff, she looked so tough I had to follow her all the way home Then things went bad, I met her dad "Look, get your hands off my daughter Before I play a little Hank Aaron meledy on your head Ya understand

I couldn't sleep a wink for tryin' I saw the risin' of the sun All night long my heart was cryin' She's the one, she's the one Let's take a walk, sugar, just get your car

Young blood, yes, it is Young blood Young blood Can't get you outta my mind
