

# Dance In The Mirror

Bruno Mars

1. She wakes up in the morning  
Jumps in the shower  
Then rubs on her lotion  
While she's wrapped in a towel  
Ain't no music but she dance to perfection  
I swear the bathrooms the club  
The way she's showing off to her reflection

mezihra:

Every morning I watch her from behind  
But she don't know  
I pretend I'm sleep  
But I don't miss a show

R: My favorite part of the day  
Is when she dance in the mirror (dance in the mirror)  
There's nothing more I can say  
Just watch her dance in the Mirror  
Oh she so cute, cute, cute,  
Dancing in the nude, nude, nude  
My favorite part of the day is  
When she dance in the Mirror

2. Its late in the evening we've got dinner  
Reservations, she's taking her time  
But I don't mind waiting  
I don't get impatient cause  
When she gets naked Oh the  
Temptation (oh the temptation)  
You make me wanna cancel all  
Of our plans keep you right where you stand  
Just wind up seeing you dance
