

# Long Distance

Bruno Mars

1. There's only so many songs that I can sing to pass the time  
And I'm running out of things to do to get you off my mind

mezihra:

All I have is this picture in a frame  
That I hold close to see your face everyday

R: With you is where I'd rather be  
But we're stuck where we are  
And it's so hard, you're so far  
This long distance is killing me  
I wish that you were here with me  
But we're stuck where we are  
And it's so hard, you're so far  
This long distance is killing me

I: It's so hard, it's so hard  
Where we are, where we are  
You're so far, this long distance is killing me  
It's so hard, it's so hard  
Where we are, where we are  
You're so far, this long distance is killing me

2. Now the minutes feel like hours and the hours feel like days  
While I'm away, You know right now I can't be home,  
But I'm coming home soon, coming home soon

mezihra:

R: +  
Can you hear me crying?  
Can you hear me crying?  
Can you hear me crying?

R:

I:

There's only so many songs  
That I can sing to pass the time..
