1. Oh, I never done this before, never wanna do this again,  
Long turn on a dusty road, I did it too much so I cant pretend,  
Well, I learned just a little too late, good God I must've been blind,  
Cause she got me for everything, everything, everything alright,  
Like my daddy I'm a gambling man, never been afraid to roll the dice,  
But when I put my bet on her, little miss snake eyes ruined my life,  
She better sleep with one eye open, better make sure to lock her door,  
Cause once I get my hands on her, imma, ooh...

R: Natalie, she ran away with all my money, and she did it for fun,  
Natalie, she's probably out there thinking it's funny telling everyone,  
Well I'm digging a ditch for this gold digging bitch,  
Watch out she's quick, look out for a pretty little thing named,  
Natalie, if you see her tell her I'm coming, she better run

2. The good lord better bless your soul, 'cause I done already cursed your name,  
Don't matter which way you go, payback's gonna come your way,  
You'll be begging me, please, please, please, And now I look at you and laugh, laugh, laugh,  
Why is it that cry for me, cry for me, cry for me all night,  
I spend a lifetime in jail (yeah, that's what I do),  
I'll be smiling in my cell (yeah, thinking bout you),  
Cant nobody save you now, so there ain't no use in try,  
Once I get my hands on you, Imma, oooh...

I should've known better, 'cause when we were together,  
She never said forever, I'm a fool that played in her game
