

Nothing On You

Bruno Mars

Beautiful girls all over the world, I could be chasing
But my time would be wasted, they got nothing on you, baby
Nothing on you, baby

I know you feel where I'm coming from
Regardless of the things in my past that I've done
Most of it really was for the hell of the fun
On a carousel, so around I spun
With no direction, just tryna get some
Tryna chase skirts, living in the summer sun
And so I lost more than I had ever won
And honestly, I ended up with none

It's so much nonsense, it's on my conscience
I'm thinking "maybe I should get it out"
And I don't wanna sound redundant
But I was wondering, if there was something that you wanna know
But never mind that, we should let it go
Cause we don't wanna be a t.v. episode
And all the bad thoughts, just let em go, go, go

Beautiful girls all over the world, I could be chasing
But my time would be wasted, they got nothing on you, baby
Nothing on you, baby

They might say hi, and I might say hey
But you shouldn't worry, about what they say
Cuz they got nothing on you, baby
Nothing on you, baby
(N-n-n-nothing on you baby, n-nothing on you)

Hands down, there will never be another one (nope)
I've been around, and I've never seen another one (never)
Because your style, I 'aint really got nothin' on (nothing)
And you wild when you 'aint got nothin' on? (haha)
Baby you the whole package
Plus you pay your taxes
And you keep it real, while them others stay plastic
You're my Wonder Woman, call me Mr. Fantastic
Stop
now think about it

I've been to London, I've been to Paris
Even way out there in Tokyo
Back home down in Georgia, to New Orleans
But you always steal the show
And just like that girl, you got me froze
Like a Nintendo 64
If you never knew, well, now you know, know, know

Beautiful girls all over the world, I could be chasing
But my time would be wasted, they got nothing on you, baby
Nothing on you, baby

They might say hi, and I might say hey
But you shouldn't worry, about what they say
Cuz they got nothing on you, baby

Nothing on you, baby

(N-n-n-nothing on you baby, n-nothing on you)

Everywhere I go, I'm always hearing your name

And no matter where I'm at, girl you make me wanna sing

Whether a bus or a plane, or a car, or a train

No other girl's on my brain, and you the one to blame
