

If i could,  
i would knock you down  
kick your ass to the ground  
don't you like to play  
is there any other way

If i could, i would find a way  
serve your ass for the day  
would you say  
is there any other way?

Scribble your thoughts  
as you'd like them to be  
for it's foolish goals  
you'll achieve  
casting teh parts...  
plotting your scams  
compromise integrity  
again and again
