

## Pork Farm

## Brutal Truth

Breeding, seething,  
feeding, breeding

Oush one reality, push two for  
what you wanna see  
for what's to be  
program finance inconsistencies

For some legalities  
preaching out,  
their righteous ways  
preaching rape,  
preaching rape through their  
enslaved cash hogs

It's not my reality... yeah!  
seething, feeding, breeding
