

Swift And Violent (swift Version)

Brutal Truth

Bloodshed running wild in streets.
Social structure gaining grief.
Grinding hearts in raw meat.
Disrepair equality.
Swift and violent chaos.
Killing fields and streams.
Resourced man's end.
Desert storms of baggage under siege.
Swift and violent chaos.
Swift and violent chaos.
Under siege our chaos streams.
Swift and violent chaos.
Killing fields and streams.
Resourced man's end.
Violent chaos.
