Warm Embrace Of Poverty

Brutal Truth

Embrace my trouble mind - rattle on. Connect between the lies. A march back in the mines - rattle on. Normality - relatively. Life with me and no prosperity. Inside my trouble mind. Complicated. To reach for this is wrong? Reach for my warm embrace of poverty. Rumbles on. Inside that troubled mind. A march back in the mines - rumble on. Normality - relatively. Life with me and no prosperity Inside my trouble mind. Complicated. To reach for this is wrong? Reach for my warm embrace of poverty.
