Brutha

(Let me go)  
Girl I never thought thought you would be my ex,  
Cuz what we had was so so deeper than sex,  
And I threw it all away for just one night,  
From the streets,  
To the sheets,  
Damn why the hell I cheat,  
Because I knew your favourite song was 'to the left', (to the left)  
I want you back but I know there's nothing left, (nothing left)  
And girl I swear its like you're haunting me, inside,  
Im doing everything I can to get you off my mind

Im doing everything I can to shake ya'  
Still see ya face when I know you ain't there,  
You're like a ghost, (You haunt me like a)  
Ghost yeah,  
Ghost,  
All I wanna do is

Move on along,  
I gotta get my mind off you,  
But when you're still in love,  
Tell me why it took so long to do,  
You're like a ghost, (You haunt me like a)  
Ghost yeah,  
Ghost (You haunt me like a),  
Ghost

Girl I never ever wanted to, (never)  
Imagine my life without you,  
Tell me why did I have to be such a fool,  
When you play with love, You're gonna lose,  
Now where ever I go, it feels like you're there with me,  
Even when im with her, Its your face I see,  
Now all I want to do is get you off my mind girl,  
Wish I could go back in time, And make everything right girl,

Im doing everything I can to shake ya'  
Still see ya face when I know you ain't there,  
You're like a ghost, (You haunt me like a)  
Ghost yeah,  
Ghost,  
All I wanna do is

Move on along,  
I gotta get my mind off you,  
But when you're still in love,  
Tell me why it took so long to do,  
You're Like a Ghost, (You haunt me like a)  
Ghost yeah,  
Ghost (You haunt me like a),  
Ghost

Eveywhere I go I still see ya face  
Even though I know your still far away, Why,  
Are you still on my mind (Why)  
Somebody Tell me what I gotta do,

I really wanna get get over you,  
(Let me go) And all I wanna do is get you off my mind girl,  
Wish I could go back in time, And make everything right,

Im doing everything I can to shake ya'  
Still see ya face when I know you ain't there,  
You're like a ghost, (You haunt me like a)  
Ghost yeah,  
Ghost,  
All I wanna do is

Move on along,  
I gotta get my mind off you,  
But when you're still in love,  
Tell me why it took so long to do,  
You're like a ghost, (You haunt me like a)  
Ghost yeah,  
Ghost (You haunt me like a),  
Ghost
