

# Back To You

Bryan Adams

1. I've been down, I've been beat  
I've been so tired that I couldn't speak.  
I've been so lost that I could not see  
I wanted things that were out of reach.  
Then I found you and you helped me through  
And you showed me what to do  
That's why I'm coming back to you.

R: Like a star that guides a ship across the ocean.  
That's how your love can take me home, back to you.  
And if I wish upon that star  
That someday I'll be where you are  
And I know that day is coming soon,  
Yeah, I'm coming back to you.

2. You've been alone, you didn't show it  
You've been in pain and I did not know it.  
You let me do what I needed to do  
You were there when I needed you.

3. Might have let you down,  
Might have messed you around  
But you never changed your point of view  
That's why I'm coming back to you.

R: Like a star that guides...

4. = 3.

R: Like a star that guides...

I'm coming back to you -(3x)  
That day is coming soon...  
I'm coming back to you
