

Christmas Time

Bryan Adams

1. We waited all through the year
for the day to appear
when we could be together in harmony
you know the time will come
peace on earth for everyone
and we can live forever in a world where we are free
let it shine for you and me

R: There's something about christmas time
something about christmas time
that makes you wish it was christmas everyday
to see the joy in the children's eyes
the way that the old folks smile
says that christmas will never go away

2. We're all as one tonight
makes no difference if your black or white
cause we can sing together in harmony
i know its not too late
the world would be a better place
if we can keep the spirit more than one day in the year
send a message loud and clear

R: There's something...

*: Its the time of year when everyone's together
we'll celebrate here on christmas day
when the ones you love are there
you can feel the magic in the air
you know its everywhere
theres something about christmas time (pause)
something about christmas time

chorus goes a note higher
there's something about christmas time
something about christmas time
that makes you wish it was christmas everyday
to see the joy in the children's eyes
the way that the old folks smile
says that christmas will never go away
