

Do What Ya Gotta Do

Bryan Adams

People believe what they wanna believe
You gotta give thanks for what you're 'bout to receive
You might a bit off more than you could chew
But deep inside you stay true to you

You gotta - do what ya gotta do
You gotta - do what ya gotta do
You gotta - do what ya gotta do

You might take a hit - you might take a punch
There ain't no such thing as a free lunch
Nobody knows what you've been through
Or what it's like to be in your shoes

You gotta - do what ya gotta do - ya
Do what ya gotta do
Do what ya gotta do
Do what ya gotta do

What goes around comes around
You gotta keep both feet on the ground
You might a bit off more than you can chew
But deep inside you stay true to you

You gotta - do what ya gotta do
Do what ya gotta do
You gotta - do what ya gotta do - ya
Do what ya gotta do
