Don't Leave Me Lonely

Bryan Adams

I won't stand bein' broken hearted
I won't be pushed around

The rules were set when we got started But lately I have found

We've spent too little time and too much heartache I feel we're losin' ground

And lately I've been hearin'
You won't be needin' me around

Don't leave me lonely

Just wanna be right by your side

Your one and only - tonite

So don't leave me lonely
I need you here all the time
So don't leave me lonely - oh no

You say you need your independence Well I need mine

Separate lives and separate feelings I guess that's fine

But that won't last - it's no solution I know it can't survive

And lately I've been thinkin' Thinkin' 'bout you all the time
