

Hearts On Fire

Bryan Adams

1. Some other time Some other place

We might not have been here standin' face to face

I just wanna tell ya made up my mind

You know I can't help the way I feel inside

R: Oh this hearts on fire right from the start it's bin burnin'
for you

Oh this hearts on fire one thing honey - This heart's true

2. The streets are empty the lights are down

Ain't nothin' movin' this side of town

So come on over ain't hard to please

Oh baby - what you get ain't always what you need

R: Oh this hearts on fire it's getting hotter now can't you see

Oh this hearts on fire from now on baby it's gonna be you an
d me

*: Risin' to my feet I can feel the heat it's tryin' to pull me
under

Runnin' through the night I can make it right it's coming on
like thunder

3. Some got it good some got it bad but you're the best I ever
had

I never worry you're so fine from now on baby I'm gonna be y
our side

R: Oh this hearts on fire right...
