## **How Do You Feel Tonight**

## **Bryan Adams**

is there anybody out there? anyone that's loved in vain anyone that feels the same

is there anybody waiting? waiting for a chance to win to give it up and start again

we all need something new
something that is true
and someone else to feel it too

i feel so high - no one else would know it
i don't know why i feel the way i do
i can't let go - and i'm not scared to show it
cuz being here feels right
tell me - how do you feel tonight?

is there anybody out there? anyone that can't explain anyone that feels nopain

is there anybody dreaming dreaming of a better day when everything goes your way

we all need something new something that is true and someone else to feel it too someone just like you
