

# I Can't Stop Loving You

Bryan Adams

I can't stop loving you  
I've made up my mind  
To live in memories of a lone sometimes  
I can't stop wanting you  
Is useless to say  
So I'll just gonna live my life in dreams of yesterday

Those happy hours that we once knew  
Tho' long ago, they still make me blue  
They say that time will heal a broken heart  
But time has stood still since we've been apart

And I can't stop loving you  
I've made up my mind  
To live in memories of a lone sometimes,  
Yeah baby girl  
Can't stop love you baby

They say that time will heal a broken heart  
But time has stood still since we've been apart

And I can't stop loving you  
But it's useless to say  
So I'll just, I'm just livin' my life in dreams of yesterday  
Yeah I'll just live my life in dreams of yesterday
