

I'll Always Be Right There

Bryan Adams

I swear to you I will always be there for you
There's nothing I won't do
I promise you All my life I will live for you
We will make it through
Forever we will be together you and me
Oh and when I hold you nothing can compare
With all of my heart you know I'll always be...
Right there...

I believe in us Nothing else could ever meant so much
Your the one I trust Our time has come
We're not two people we are one
Yeah our second to none
Forever we will be together, family
Oh and when I hold you nothing can compare
With of my heart I'll always be...
Right there...

Forever we will be together, ooh, just you and me
The more I get to know you theremore I really care
With all of my heart you know I'll always be...
And you know really love you and nothing can compare
For all of my life you know I'll always be...
Right there...
